

**2019 School Nurse Summer Institute:
Supporting Transgender Students**
Friday, August 9, 2019 8:30 AM – 3:30PM
Holiday Inn, Madison, WI

Outcomes of this program:

- Nurses will gain an appreciation for the challenges transgender youth experience
- Nurses will be able to articulate the biology of human sexual development
- Nurses will report increased confidence in their ability to discuss gender issues with students
- Nurses will understand how districts can incorporate inclusive policies that support transgender youth
- Nurses will identify measures they can use or change in their individual practice as a result of this program

Target audience: School Nurses, Public Health Nurses

Registration: \$45

Sex, gender, and orientation 101 and A Day in the Life of a Transgender Young Person

Molly Herrmann, Department of Public Instruction HIV Consultant

Through videos, lecture, and small group discussion, Molly Herrmann will provide participants a safe space to increase their knowledge, understanding and sensitivity towards transgender youth.

“The Biology of Sex”

Dr. Alexandra Hall, M. D., University of Wisconsin-Stout

Trained in theater, education, and medicine, Alexandra Hall M.D. will share what we do and do not know about the development of our biologic sex, gender identity, and sexual orientation from a scientific standpoint in this accessible and interactive session.

Student’s story: A parent perspective on a transgender student’s experience

Parent of a transgender student will share her and her child’s experiences with the school system and beyond.

Examining State and Local Policy and Procedures Surrounding Transgender Youth

GSAFE staff will share their resources and experiences.

Building Supportive School Teams

School nurses will learn how they can be part of a support system for all youth around gender identity.

This activity is being submitted by the Wisconsin Department of Public Instruction to WNA CEAP for approval to award contact hours. Wisconsin Nurses Association is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation. The Wisconsin Department of Public Instruction is the provider of nursing contact hours for this activity in a joint-provider agreement with the Wisconsin Department of Children and Families.

****You must be present for the entire day to receive the contact hours.**

****A certificate will be given at the end of the day after completion of the evaluation form.**
